

IN THE COURT OF APPEALS FOR THE STATE OF ALASKA

NICOLE MARIE SHERWOOD,
APPELLANT,

Vs.

STATE OF ALASKA,
APPELLEE.

Court of Appeals No. A-12601

Trial Court Case No. 3PA-16-269 Cr.

CIR FIC 11/5/19 SEA

FINDINGS TO THE COURT OF APPEALS ON REMAND

On July 17, 2019 this matter was remanded to the district court to conduct an evidentiary hearing and for this court to report back with the findings from said evidentiary hearing within 90 days.

After two previous attempts to hold an evidentiary hearing, on October 14, 2019 the defendant and attorneys appeared and were prepared to proceed.

The defendant declined to offer any evidence of prejudice resulting from this court declining to grant a continuance at trial due to late discovery. The defense further stated that they reviewed the matter and determined that they were not prejudiced by such refusal.

Therefore this court finds that the defense suffered no prejudice by this court's refusal to grant a continuance.

Dated this 15th day of October, 2019.
